Introduction to Gojee Settings

The settings page is split into My Account, Organisation Settings, and User Settings. They can be accessed from the home screen or by clicking the organisation name at the top right corner of the screen. To get started, navigate to the "Settings" button from the home screen:

- You will be provided with the following options (top menu options are also shown for completeness):

gojee

Demo Company (AU) - Paul C.

Version: 4.8
Organisation Setup
